Our Vision

We are a world class contractor.

Our professional reputation means dedication to superior innovative products, safe quality production, recognizable showpieces, and unconventional solutions to industry challenges.

This is achieved by having an enjoyable family work environment that provides growth and development of every team member. Our number one priority is to strengthen our business relationships through integrity and unparalleled service.

Who We Are

M Bar C Construction is dedicated to delivering superior carport installations.

M Bar C was developed to serve the increasing demands of commercial, government, and industrial customers with a variety of services, including solar & non-solar shade structures, DSA Approved canopy solutions, and renewable energy support.

We are known for the superior design and construction of solar & non-solar commercial carports and shade structures.

Why M Bar C?

We're there, from start to finish.

You can trust that M Bar C team members are committed to your project every step of the way. From estimating to installation, we self-perform projects resulting in superior structure quality, site safety, and overall efficiency.

Maximized value and highest quality.

Our goal is to provide you the best possible solution for your site; our teams assess every aspect to ensure maximum quality meets cost-efficiency.

We provide strategic and creative approaches to your project to maximize value while providing the highest quality structures.

Relax while you trust the experts.

With over four decades of installation experience, collectively, our team members represent over 600 combined years of construction experience!

Regardless of site specifications or overall structure goals, M Bar C provides custom structure solutions.
